IMPORTANT WORK.

NEW BOOK.

THE BANJO

A DISSERTATION,
By S. S. STEWART.

This volume should be in the hands of every Banjo-player and every student of the Banjo.

No Teacher can well afford to be without a copy of this volume on his table.

No one who intends to take up the Banjo should fail to secure and carefully read this book; for "much depends upon starting aright."

In all the Banjo Instruction Books before the public there is a lack of instruction in the things that every Banjoist should know. In fact, you cannot obtain any work on the Banjo which contains a course of musical instruction, and at the same time is a literary production. As THE COMPLETE AMERICAN BANJO SCHOOL supplies the musical portion of instruction, so this book, THE BANJO, is intended to supply the literary portion.

It elucidates and explains the Banjo in its construction, and defends it as a musical instrument. It points out the way of mastering its technical points, and aims to make good players of the rising young Banjoists.

Its arguments in defence of the Banjo are the strongest and most invincible ever presented in print.

It aims to open a new field to the Banjoist of the day, and to show him how to progress aright in his musical studies.

This work is not written in the interest of any particular Banjo or Banjo Manufacturer whatsoever;—nor in the interests of any one or more performers;—but is written in the interests of the Banjo and in the interests of all performers alike.

The Banjo, as an instrument, has long needed a book of this kind; something that could be read with interest by those who know nothing about a Banjo; and at the same time, a book that gives valuable hints to those who are students. A work that is neatly gotten up, and as a volume is attractive for the centrefold or for the book-shelves.

Teachers, by having a copy of this work on their tables, will have ever at hand a valuable assistant and ally in meeting the attacks and prejudices of those who are ignorant of the Banjo. It is a volume which cannot fail to command respect for the instrument and put to silence the objections of the musical bigot.

The book is issued in octavo, 112 pages, bound in cloth cover.

PRICE 50 CENTS PER COPY.
